

Symantec Education Services—Corporate Pass

When you're properly trained on Symantec software, the fundamentals of IT risk management—optimized IT infrastructure, reduced IT risk, and optimized service delivery—become tangible bottom-line benefits.

Maximize the impact of Symantec classroom and onsite training for your organization with our value-packed **Corporate Pass** program.

PRACTICAL BENEFITS

- **Train More Team Members**—For companies with large IT teams, the Corporate Pass is a cost-effective way to maintain your efficiency and competitive edge.
- **Learn on Your Terms**—Choose from 30-or 50-day programs, depending on your organization's priorities and Symantec training needs.
- **Save on Training**—With a Corporate Pass you receive a 6% discount so you can spare your budget or put thousands of dollars toward other essential IT projects.
- **Set Your Own Schedule**—You have up to one year from the date of purchase to use your training days.
- **Eliminate Red Tape**—by purchasing a "block" of training days at once, you minimize the amount of purchase transactions throughout the year.

And with all Symantec Education classes, you benefit from up-to-date technical content, experienced, certified instructors, and flexible, convenient, cost-effective delivery options.

DETAILS

With the Symantec Education Corporate Pass you can attend live classroom and onsite training in:

- Data Protection
- Client and Network Security including AntiVirus
