Course Content

- Featuring sessions on these topics, with more to come!

  -What are the top issues our Employee Central customers are facing? How can you be aware and enabled during your own journey? An Employee Central Support Engineer will share the top tickets entered for EC, along with the support channels you can best utilize to get all your questions answered.

  -Learn about leading practices, tips and tricks, model company for HR, and more from SAP SuccessFactors' Professional Services Product Lead.

  -What was it like for SAP to go live with its own Employee Central solution? With 90k+ employees across 70+ countries, it was no small task. Learn how SAP is drinking its own champagne after its journey to HR in the cloud, where you'll hear from the Director of HR Operations at SAP who ran the implementation internally.

  -What are the next steps in the evolution of Employee Central? The lead Product Manager for Employee Central will share her thoughts on the future of EC and future roadmaps.

  -Attend bite-sized, focused training sessions on your top questions with SAP's Employee Central lead instructor.

  -Hear from a customer, in their own words, about their journey with SAP SuccessFactors Employee Central.
